

GAUTENG GAMBLING BOARD

CALL FOR PROPOSALS FOR GRANT FUNDING

The Gauteng Gambling Board (GGB) is a Schedule 3C Public Entity in terms of the Public Finance Management Act, 1999 (Act 1 of 1999). The GGB has been established in terms of section 3 of the Gauteng Gambling Act, 1995 as amended ("the Act")

Objective:

The objective of this advertisement is to invite non-profit organisations to submit their proposals for grant funding through the Sports Development Fund (SDF) in support of special projects and development initiatives intended to alleviate the socio-economic challenges faced by the Gauteng community.

Adjudication:

In adjudicating applications, the GGB will give preference to applications from Non-Profit Organisations (NPO), Non-Government Organisations (NGO) and Non-Profit Company (NPC) that have focus on underdeveloped areas. And that advance the interests and participation of women, youth, and people with disabilities, as well as projects that lead to job creation and retention.

Preference will also be given to projects / programs with focus in the following areas:

1. Initiatives that promote inclusive development in sports, particularly in disciplines that have historically experienced limited diversity and representation (i.e., Legendry tournaments, Water Sports, Disabilities tournaments, Soccer, Netball, Pedal sports and E-sports, etc.) and progressive attainment of transformation targets in selected sporting codes. This can be achieved through club and federation development (training of officials, coaches, and administrators, strengthening of organisational systems and governance), talent identification and development (target groups), athlete and coach support programs (target groups), and participation in domestic and international competitions.

2. Increase in sporting activities / programs in historically disadvantaged areas and increases participation in sports and competition by designated groups (as defined in (Schedule 1 of the Amended General B-BBEE Codes of Good Practice). Measures to be supported include sports facilities infrastructure projects (construction/ refurbishments), participation in local and regional leagues and competitions as well as recreational activities or events that encourage participation by disadvantaged communities.

3. Enterprise development programs targeting SMMEs that have the potential to improve their competitiveness and sustainability to become part of the mainstream economy and create employment. The project should be geared on socio-economic development and supplier development projects for SMMEs.
